

Admissions Information

Please follow the instructions below to ensure the successful completion of the admissions process for your child.

1. Attend an Open House.
This is an opportunity for adults to visit the school while classes are in session in order to see Tidewater at every grade level. There will be a brief introduction to the school before a tour of the classrooms and a chance to ask questions at the close of the morning. You may request an application at this time. Please call our office at (410) 257-0533 to reserve a space at an upcoming Open House.
2. Visit the school with your child.
Please call or e-mail our office at tidewaterschool@chesapeake.net to schedule an appointment with a teacher for a meeting at the school outside of classroom hours. This is a chance for both you and a member of our professional staff to see how your child interacts with Tidewater's learning environment and to answer any questions you may have about the program.
3. Return the application with the non-refundable annual enrollment fee.
Applications must be signed by both parents and returned to:
The Tidewater School
P.O. Box 755
Huntingtown, MD 20639
4. Acceptance letter and contract.
You will receive written notice regarding your child's acceptance into The Tidewater School along with a contract for enrollment. Your child's space in the class is guaranteed when the signed contract is returned. The first tuition installment is due in June.
5. Return health forms and other required documents the summer before enrollment.
During the summer you will be sent a packet of information and forms. The State of Maryland requires all health forms to be on file with the school prior to entrance. Please return all required documents to the Tidewater School no later than August 15th of the enrollment year.

If you have any questions or concerns about our admissions policies or procedures, please refer to the Parent Handbook or contact our Business Director at (410) 257-0533.
